

Alpha Chemika

House of Highest Quality Chemicals

BOTTLES • CONTAINERS • CAPS

Product Catalogue

The background of the advertisement features a collection of Alpha Chemika bottles and containers arranged on a dark, tiered platform. The bottles vary in size, shape, and color, including white, blue, and red. Some have black caps, while others have white or red caps. Three professional microphones with red, orange, and black foam covers are positioned around the bottles, suggesting a high-quality presentation or recording process. The overall aesthetic is professional and scientific.

ALPHA CHEMIKA

Packaging Range

Alpha Chemika presents a versatile range of bottles and containers across multiple sizes, shapes and closure options. The catalogue brings together practical formats for powder, liquid, tablet and reagent applications.

Explore the range to identify suitable bottle and closure configurations for your packaging requirements.

DESIGNED FOR PERFORMANCE

Bottles • Containers • Caps

The catalogue covers a broad selection of bottle sizes, shapes and specifications, bringing together practical packaging options for different product and handling needs.

Alpha Chemika focuses on clear product presentation and a broad range of packaging formats, including bottles, containers and closure options.
